# SIMPLE REFURBISHING or COMPLETE REMODEL BUILDOUT

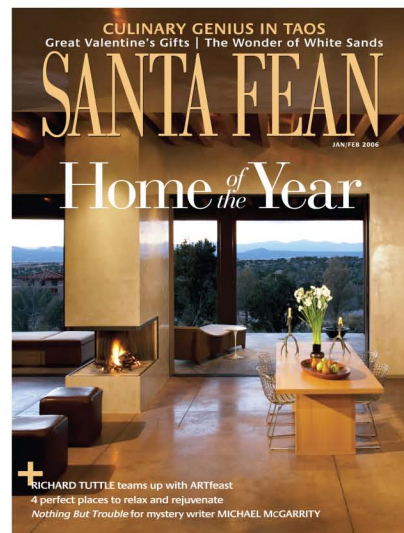

by interior designer Edy Keeler with her building associates

*Does your home need a refreshing, with new color and surfaces? Maybe simple or extensive remodeling to update the look. Or you might be considering an addition to enhance living space, give you a more functional floor plan, and add competitive value if you anticipate selling your home.*

Edy has been designing and building award-winning projects for over twenty years. Now she is able to provide integrated design and building services, and would love to talk with you.

“We start with a free consultation. Services include working closely with you to create a workable, handsome design with material and color recommendations for everything, cost estimates and specifications. Project scheduling, construction management, furnishings and accessories if needed, complete the process.”

Edy will help you Avoid **5** Remodeling Mistakes: Avoiding permits, Setting an unrealistic budget, Hiring the wrong contractor, Taking on more than you can handle, and Overbuilding for your neighborhood.
